WORK HISTORY

WEB/GRAPHICS DESIGNER 02/2023 to Current

Freelance

- As a versatile digital media professional, I have created websites, concept art, logos, and other visual designs for a wide range of companies and streamers. My expertise in digital media extends beyond design and includes providing technical support for various digital media projects. I also specialize in creating engaging newsletters for various companies, helping them connect with their audience in a more effective way.

LEAD 2D ARTIST 08/2016 to 06/2021

Heroic Games

As the lead 2D artist and maintainer of www.Shipofheroes.com, I oversee the site's design and functionality, ensuring it remains up-to-date and visually appealing. Additionally, I create and manage the monthly newsletters, handle site maintenance, and conduct game testing to ensure optimal user experience. My contributions to the game extend beyond website design and testing; I also create all 2D assets and digital illustrations for the game, bringing a cohesive and immersive experience to players.

SUPPLY NCOIC 03/2005 to 02/2013

US Army

As a material flow and inventory management supervisor, I oversaw the efficient movement and storage of materials and products, as well as global order fulfillment. I

maintained accurate stock records and schedules to ensure timely delivery of products to customers. In addition, I was responsible for ordering, receiving, and maintaining equipment worth over 300 million dollars. My attention to detail and ability to manage inventory and logistics helped to streamline operations and ensure customer satisfaction.

WEB DESIGNER 11/2004 to 02/2005

Liberty Media

As a skilled designer, I specialize in creating high-quality websites and logos that are visually stunning and engaging. With a keen eye for design and a deep understanding of user experience, I create websites that are not only aesthetically pleasing but also functional and easy to navigate. My logos are designed to capture the essence of a brand and leave a lasting impression on customers.
